MESSAGE FROM YOUR SENIOR REGENT

Co-Workers & Friends,

Happy New Year !!! Wow what a fabulous ending to 2015. The holidays are always special and our members really show their true hearts of giving. We are a blessed lodge that we keep our Christmas hearts open all year long. Many Thanks to those who not only contributed to support our Christmas Gift Cards to Quiet Water Elementary School but those who helped fund and volunteer at our annual kids Christmas party. A special shout out to Mr. and Mrs. Claus who brought a smile to everyone's faces. As 2016 begins it all so signifies the end of our chapter year. We will be announcing our nominating committee meetings the 2nd meeting of the month on Monday January 18. We will be looking for qualified co-workers to submit their names for consideration for the offices of Sr Regent, Jr Regent, Secretary Treasurer and Recorder. Any active co-worker who is a member of the chapter for at least six months prior to the date of election is eligible for nomination. Please look for more information to be posted in the lodge or we would love for you to attend our meetings always held on the first and third Mondays of each month.

From your Editor:

Dear Brothers and Sisters,

As you may know, besides of doing this *West Boca MooseLetter* I'm also the Communications Chairperson of this Lodge. Part of the job is to maintain an email list and to send out weekly reminders and special announcements using this list.

In the past month or so, we have been updating this list by adding some additional entries I got from our administrator (I think it is from the LOOM enrollment list), which caused the list to grow from about 330 to now 420 entries.

However, as it is in the nature of such lists, some email addresses become invalid, causing mail delivery problems. Because of the method I use, I wouldn't see the error messages right away – I'd have to look at a separate place.

It is a waste of time, though, to try sending emails to addresses which are sure to fail, so in the next couple of weeks I will wade through the error list to weed out email addresses that have failed repeatedly in the same manner. They will be marked as “failed” in my list, so no further attempts will be made to send to these addresses.

On the other hand, there has been at least one case, where a member complained about not getting emails, and it turned out he wasn't on any list I got since I started doing the emails.

So, if for some reasons you're not getting emails, please let us know.

One way to do it is to send an email to mail@westbocamoose.com to ask for inclusion into the email list. Handwritten notices left with the bartenders at the lodge, as some of you have done, work too - they hand it over to me on the rare occasion I show up there.

If you enroll as a new member and provide an email address during this process, I'll include this address as soon as I get it.

Please keep in mind, that you may have to check your spam folder. I'm using “noreply@westbocamoose.com” as the originator of the email. Check the settings of your email program.

If you're using a system that requires a confirmation from us that indeed we're not sending spam, please make sure that it does not require that. We will not monitor this kind of thing.

Oh – last but not least

HAPPY NEW YEAR!

As always, enjoy this first edition of the *West Boca MooseLetter* in 2016.

LODGE 204 / CHAPTER 2273

April 2015

From your Editor:

Dear Brothers and Sisters,

As you may know, a few months ago the editor of the Communicator, Barbara Werner, has resigned from that post. It must have been tedious, so it seems, that she has taken care of the newsletter, so I like to thank you, Barbara, on behalf of everybody for doing such a tremendous job for so many years.

Many of you, including myself, felt something was missing in the newsletter-less months since then, so after some conversation forth and back I've decided to step in and run the newsletter for the foreseeable future.

Of course, any new editor likes to change things, and I'm no exception. You may have noticed already the name change of this publication. We'll plan to make this a monthly publication. Since I'm also running the website westbocamoose.com (not the .org) there will be a closer relation between that site and the newsletter, hoping to have more timely and accurate information on the site if things change after the newsletter are released. This is just as because me being in charge of this publication, I'm more involved of being notified myself of any updates to be intended for publication.

When being assigned the editor position a couple of weeks ago, I set myself the ambitious goal of having the first issue out by April 1st, also known as April Fool's Day (what about that...?). Well, here we go, but because of the time constraints, some features known from the Communicator are not included here, e.g. the preview calendar for the next month. As time goes on, things will be added to this newsletter as time goes on.
