## MESSAGE FROM YOUR SENIOR REGENT – April 2017

*Co-Workers & Friends,*

*As you know April 30, 2017 ends my term as Sr Regent for West Boca so I would like to share a few things on paper because I know some of these things I would not be able to say standing in front of you without shedding a few more tears.*

*I would like to take a moment and reach out to all the WOTM officers of West Boca, Current & Incoming.*

*First off, I want to say thank you to the current officers. It was this time last year that we were the ones being voted on and installed. I remember installation day just like it was yesterday. Clear as picture. I was a nervous wreck because I had to get up and speak to a crowd. Trust me I know I can bullshit with the best of them - one on one, but to speak in public - not so much. I had a blue dress on and my heart was racing like 100 miles a minute and honestly I thought I was going to have a heart attack. Well, I made it through that day and with the support and guidance of each of you I have made it through this year. There is still much room for improvement with me especially on the speaking, so thank you for looking past my flaws and helping me along the way.*

*I hope you have enjoyed the year as much as I have but I must admit I am looking forward to our incoming board. I wish the best to these ladies and I will support them in any way possible and encourage each coworker to do the same. We may be a small chapter but we can make things happen as a whole. Many other chapters/lodges look up to us and that should make you proud. Like I often say "West Boca Proud"*

*One thing I have learned this year is that in order to have a good team, it does take some work. Sometimes a lot of sweat & sometimes even a lot of tears. Trust me I have shed a few this year myself. Sometimes as officers we need to approach things we would prefer not to but that comes with the positions we assume and commit too. It is tough but in the end you are taking care of the business at hand. Life has ups and downs and Lord knows we have each had our share of them. So please help each other get through these times, lend a hand, offer a shoulder to cry on, lend an ear to listen to troubles, offer compliments when they are deserved, help promote coworkers which given the chance, and most of all be the best team player you can be.*

*Many of you like myself have family in other states so we tend to lean on one another for support. We tell our thoughts, our secrets, we complain about our better half or not having a better half, we share life experiences, we brag on our kids/family, & we all look for friendship & love. So I know this might seem a little mushy for me but these feelings are heart felt and I say "Thank You" for letting me be a part of your family.*

*We all come from different walks of life, some wealthy, some poor, some easy to get along with and some not so much however it takes all of us to work together to be able to separate our differences if it be with personalities, personal issues, difference of opinions, or whatever the case may be so that we can take care of business when needed so that we may enjoy our home away from home. Yes, West Boca is our Home Away From Home.*

*We do great work for our Moose Charities, so we need to be proud and share the good we do.*

*I again would like to say Welcome Aboard to the Incoming West Boca WOTM Board of Officers and I hope I can be a mentor to you like others have been to me.*

*(Editor's note: they are featured today on page 14)*

*Now for a little WOTM business to share:*

- *Our next WOTM meeting will be Monday , April 3, 2017@ 7pm*
- *Please save the date of Sunday April 23, 2017 at noon for West Boca Installation.*
- *I wish the best of luck to all and will support you the best that I can*

## 25<sup>th</sup> Edition – Thank You

*We would also like to give a special shout out to Detlef Pump, he is our Communications Chairperson & Editor of the West Boca MooseLetter. He sends us weekly reminders and attends meetings to make sure he has the most up to date information. Now keep in mind if things change we need to make sure he is in the loop, he can only be as good as the information shared with him. So when you see him please give him a pat on the back for a job well done. This edition will be his 25th edition. Thanks for all the reminders and information you give us.*
