Greetings from The Governor

Dear Fellow Moose Members,

First off, I want to congratulate the outgoing board of officers for a very successful year. Plus, I would like to say thank you to all the members who continue to support our Lodge & Chapter. With your support we can continue to help our extended family at Mooseheart & Moosehaven. Yes - we are a Moose Family.

Over the past few years, I have had a chance to meet a few Mooseheart Graduate. Leslie & David, both who visited us here at West Boca and their experiences touched me. It made me realize that

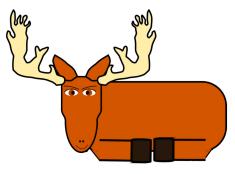

West Boca and their experiences touched me. It made me realize that what we do - really does make a difference. I've also visited Moosehaven and talked to some of the seniors and toured the campus. It is so rewarding to know we have a hand in their care.

As members learn about the good work we do - many often want to get more involved. With the support & encouragement of my wife and good friends I too made that same decision. Yes - I put my name in for Governor and I am grateful to have the support of many. So, Thank You very much!

Moose International has some very important topics being discussed & voted on this year so we encourage all members to attend lodge & chapter meetings to hear more on these topics.

I am excited about our upcoming year, excited about working together both men & woman. I would like to say Congratulations to all officers, both men & women of West Boca and let's make this another memorable year.

West Boca Proud, Rick Shockley Governor-Elect

April showers bring May flowers

By Ofelia Rodriguez

As a child, I always heard this saying, but what does it mean?

Well, in 1557 a gentleman by the name of Thomas Tusser compiled a collection of writings he called A Hundred Good Points of Husbandry. In the April Husbandry section he wrote:

Sweet April showers

Do spring May flowers

50th Edition 50th Edition 50th Edition 50th Edition 50th Edition

50th Edition

As you can see, the rhyme was originally a short poem. There is meaning behind the words, as well. "April showers bring May flowers" is a reminder that even the most unpleasant of things, in this case the heavy rains of April, can bring about very enjoyable things indeed - in this case, an abundance of flowers in May.

"April showers bring May flowers" is a lesson in patience, and one that remains valid to this day. Did Mr. Tusser mean patience with the weather or his wife?

I would like to think that he meant more than that. I imagine he meant life in general. Patience is not easy for some. For others it comes naturally. Here at the lodge, many of us have an abundance of it while others lack it immensely, but this article is not meant to criticize, it is meant to educate everyone in the art of patience.

Why should I practice patience? Others often see <u>impatient</u> people as arrogant, insensitive, and impulsive. They can be viewed as poor decision makers, because they make quick judgments or interrupt people. Some people will even avoid impatient people, because of their poor people skills and bad tempers.

People with these personality traits are unlikely to be at the top of the list for promotions to leadership positions. Impatience can even affect relationships at home.

The more patient you are with others, the likelier you are to be viewed positively by your peers and your managers, not to mention your family and friends.

50th Edition 50th Edition 50th Edition

As we begin a new year in May with new officers, (myself acting as Recorder for the second year) I would love to see our members practice this art of patience. I am so positive this year will be a great one but with the added support from all of our West Boca family it'll be even more amazing! Be supportive of change, volunteer without being asked, help pick up, participate in our events, donate when needed, say thanks every once in a while.

Let's all welcome the new board with open arms, positive vibes, and a demonstration of what fraternity is all about- a common interest and mutual support for our lodge as well as Mooseheart and Moosehaven.

WE ARE THE FRIENDLIEST LODGE! Let's keep it that way!
