Women of the Moose

MESSAGE FROM YOUR SENIOR REGENT

Co-Workers & Friends,

As we near the end of the 3rd quarter of the year, on behalf of WOTM 2273 I want to thank each and every one of you for your continued support. Just last week our final office was filled and Sandy Anderson was elected as Secretary Treasurer. Congratulations Sandy. Thank you for stepping up and we look forward to working with you for the remainder of the 2015/2016 year. Also this past weekend we had a very successful Trivia night hosted by Chairmen Buggy Wickenhauser. Great fun was had by all. Again Many Thanks to all the women that brought food, helped set up and helped clean up. Buggy we can't wait to see what next event you have planned for us.

Please continue to help us meet our membership goals by inviting all of your friends and family to come join us at our lodge so they can participate in all our fun activity nights. Membership fees directly supports our Twin Cities Mooseheart and Moosehaven. Some application fees have been waived the past year but due to increased costs we will no longer be able to waive those. Beginning September 1, new membership for women will be \$50. Hope to see you and a new member at a meeting soon.

- *WOTM meetings for September Monday *September 14 and Monday September 21 2015 @ 7pm.*

School Supply Drive

Dear Moose Members,

I would like to thank everyone that donated school supplies or cash for Quiet Waters Elementary School. We provided them with 30 back backs and lots of supplies to fill them. The school was very appreciative, we could not have done it without the generosity of our members.

So thank you once again.

This space could be *yours!*

Want to advertise your business here?

It is quite affordable.

**A biz card size space (1/8 of a whole page)
goes for just \$5 per issue,
or \$60 for a whole year.**

Need larger space?

Can be arranged, too.

**Please contact the WBM administrator Chris

One last thing

Have you ever noticed that if you ride a train,
the gates at railroad crossings are usually down,
while when you approach the same crossing on the street,
the same gates are mostly up.

Yes, you can make a difference!
